David Wechsler is a partner in the firm's Trusts & Estates Group. He concentrates his practice in all phases of estates and trusts law, including estate planning, trust formation and administration, wills, probate, and estate administration.

In addition, David advises high-net worth individuals, families and business owners on thoughtful, effective planning for the preservation and transfer of wealth. He prides himself on bringing a collaborative, patient, and responsive style to the clients he serves while helping them achieve optimal results.

As a recognized leader in his field, David frequently lectures on various issues pertaining to trust and estate matters.
