Florian Dylewski is an Associate in the Firm's Corporate Practice. He represents both domestic and international clients of all sizes in corporate and commercial transactions, including mergers and acquisitions, corporate structuring, and cross-border matters involving the United States and Europe.

His experience includes assisting clients with issues arising from acquiring, starting, or conducting business in the U.S., including mergers and acquisitions, joint ventures, business formations, and contract drafting and negotiation.

Before joining the Firm, Florian began his legal career in Paris, France, where he practiced business litigation and mergers and acquisitions, and later gained experience in private equity working for private equity firms and asset managers. He started his U.S. legal career at a boutique firm specializing in cross-border transactions.
