Francesca Frazzitta is the Practice Group Administrator for the Italy Practice. With over a decade of experience in the European luxury sector, Francesca has extensive knowledge of managing various vendors, and supervising high-profile VIP and celebrity events and experiences for clients. She coordinates client meetings, internal meetings, and video conferences, as well as complex domestic and international itineraries.

Prior to joining the Firm, she supported the CEO of a Fortune 500 company with company communications and content. Further, she actively managed the company's Client Relationship Management system and generated lead management and reports.

In addition, Francesca is a fluent Italian speaker and certified Italian Translator.
