Kim Dufault is a Paralegal in the Firm's Intellectual Property Practice.

Kim has more than 25 years of experience in intellectual property, focusing primarily on supporting partners and associates in U.S. and foreign patent prosecution matters. Throughout her career, she has worked extensively in law firm environments as an Intellectual Property Paralegal, managing complex domestic and international filings and serving as a key point of contact for clients and foreign counsel.

Kim's experience spans patent and trademark prosecution, docket management, and coordination of global intellectual property portfolios.
