As the Chief Financial Officer, Michael Gottlin plays an integral role in providing guidance on fiscal and operational initiatives to execute the Firm's short and long-term financial goals.

With over a decade of experience in the legal industry, Michael leads the Firm's treasury activities and is responsible for safeguarding the Firm's assets, supervising the accounting and finance teams and providing strategic business advice on budgeting, forecasting, reporting and analysis. Additionally, he oversees the accounting department in the development, streamlining and implementation of the Firm's internal controls and procedures.

Education

- CUNY College of Staten Island (B.S.)
